Great Pitcher Let Down St. Louis Easy Yesterday.

ALLOWED BUT FIVE HITS

Chicago Also Took Second Game from St. Louis, and Is Making Strong Bid in the National League.

Ed Ruelbach played in his tenth straight victory yesterday, by pitching Chicago to a win over St. Louis. The "big fellow" allowed St. Louis but five hits and after the third was practically unhittable. Chicago got seven hits off Taylor. The score was 7 to 1. This was the first of a double-header, Chicago taking the second also.

### Record of the Marvel.

The shut-out which Ruelbach inflicted on the Giants was a great piece of work, and after the game the mob poured on the field and gave the young pitcher a wonderful ovation. Ruelbach, so the Chicago players say, is an aged veteran when it comes to skill and foxery—a griffith in ability, with Rusie's arm to back it up. He is working and thinking all the time, and always has a bit up his sleeve to work at critical moments. The oldest man on the team says that there never was such a younger—boy who stepped right into the National League, and, without bench work, substitute stunts or preliminary try-outs, proceeded to show himself the equal of the oldest pitchers in the game. "You don't need to teach young Ruelbach anything," was the way John Kling put it. "He knows just what to do as well as though he had pitched since the big league first began." Six games won in a row, after losing his first two—that's how the marvel's record stands. Sporting Life.

### Doesn't Want the "Rube."

Manager Hanlon of the Brooklyn Nationals, has notified Holyoke that it did not need "Rube" Vickers, and that it could do what it liked with the sinful Vickers. Back in pre-baseball days of the year Brooklyn wanted to buy the Holyoke pitcher, but Holyoke refused to sell. Then when McCormick was allowed to come from the city of trolley cars Hanlon secured an understanding with Holyoke that it could have an option on any player whom the latter wanted to be rid of. Vickers happened to be the first man of importance, so Brooklyn sends its reply. Holyoke still has Vickers, technically, yet practically it has not. "Rube" refuses to abide by the punishment meted out to him and is sojourning in Burlington.

## RUTLAND GETS IT AGAIN

Intercitys Rub in Another Shut Out

SCORE, FOUR TO NOTHING

More Pitched a Masterly Game, While Team Back of Him Played an Errorless Game—Burlington Game Off.

Rutland, July 3.—The Rutland ball team was shut out for the third time in succession Saturday afternoon when the Intercity team took a fine game by the score of four to nothing. This is the second shut out administered by the Intercity team. Morey's excellent pitching for the visitors and the miserable work of the Rutland players were the causes for the defeat. Five hits were the best the home team could do with the former Fair Haven star, Dolan also pitched well for Rutland, but with the support he received no pitcher could win a game. Eight bingles is the sum total of misplays. In contrast was the perfect fielding game of the visitors. Carroll, Cotter and Boucher were responsible for seven of Rutland's errors. McMahon was strong with the bat for the Intercitys, as was Morey. The score:

### BASE BALL NOTES.

Rain interfered with the Burlington-Plattsburg game at Burlington Saturday.

Morey went into his own territory and bearded the lion Saturday. Three shut outs for Rutland in succession and two of them by the Intercity bunch.

Javis will probably pitch today against Rutland, with Coombs and Burns working in the double-header tomorrow. Stankard, the ex-Holy Cross shortstop whom "Dan" O'Neil tried to get Friday night, did not reach Springfield yesterday, and will probably not come here. "Dan" Jr. believed that it he could communicate with Stankard that the latter would consent to come here—Springfield Republican. We are inclined to think there is some doubt about it.

Burlington and Plattsburg played two innings Saturday, and then the game had to be called by Umpire Shea because of rain. The crowd was much disappointed, as they wanted to see their new colored short stop, Matthews, work out. Matthews had one assist in that time. In practice he showed up brilliantly and was given liberal applause.

### FRASER'S BASE BALL DEBUT.

Goddard's Pitcher in Box for Fitchburg, Mass.

"Jack" Fraser of Goddard seminary pitched his first game for Fitchburg, Mass., Saturday, and did fine work, although his team was defeated by Hyde Park, Mass., by the score of two to one. Of the eight hits off him, four were bunched in the eighth, giving Hyde Park's two scores. Fraser struck out seven and gave two free passes, while in the field he made four assists, with no errors. At bat he made two hits, one a three-bagger.

Cannell, also of Goddard, didn't have a thing to do in center field, but made one hit.

## RAW BLEEDING SCALY ECZEMA

Looked More Like Piece of Raw Beef Than Human Being—Doctors Useless—Blessed Relief and First Real Sleep in Weeks After First Application, and

### SPEEDY CURE BY CUTICURA REMEDIES

"Words cannot describe the terrible eczema I suffered with. I was almost a solid mass of sores from head

to foot, and looked more like a piece of raw beef than a human being. Blood and pus oozed from a great sore on my scalp, from under my finger nails, and nearly all over my body, and every hair in my head fell out. I could not sit down, for my clothes would stick to the raw and bleeding flesh, making me cry out with pain. My doctor did all he could, but I got worse and worse. I did not think I could live, and wanted death to end my frightful sufferings. "My mother-in-law begged me to try Cuticura. I said I would, but had no hope of recovery. But oh, what blessed relief I experienced after applying Cuticura Ointment. It cooled the bleeding and itching flesh, and brought me the first real sleep in weeks. It was as grateful as ice to a burning tongue. I would bathe with warm water and Cuticura Soap, then apply the Ointment freely, and took the Resolvent for the blood. Soon the sores stopped running, the flesh began to heal, my hair started to grow, and in a short time I was completely cured. If any one doubts this, tell them to write to me.—Mrs. Wm. Hunt, 135 Thomas St., Newark, N. J."

### BOSS DURHAM RESIGNS.

Philadelphia Republican Leader Gives Up State Commissionership.

Philadelphia, July 3.—Israel W. Durham of Philadelphia has resigned as state commissioner of insurance, and former Senator David Martin, whom Durham succeeded several years ago as the recognized republican leader of Philadelphia, will take his place, says a Harrisburg dispatch. The governor also announced the appointment of Capt. John C. Groome of Rosemont to be superintendent of the state constabulary, created by the last Legislature. Capt. Groome is commander of the famous 1st Philadelphia city troop. In accepting Durham's resignation Gov. Pennypacker wrote: "It is only just to you to say that no complaint has ever been made to me concerning the conduct of affairs in your department, and many letters have been written to me by persons having the best opportunity for knowledge expressing approval."

The announcement that Durham had resigned and that David Martin had been appointed to succeed him was received in Philadelphia with surprise. Mr. Durham left Philadelphia Friday for Maine on a vacation.

### ALLEGED PLOT TO ABDUCT GIRL

Two Bennington Men Locked Up in Troy—Girl Furious When Confronted by Father and Said She Could Care for Herself.

Bennington, July 3.—Charged with abducting a girl not yet 16, Frank Pepera and Frank Lenni, two intelligent looking Italians of this village, spent Friday night in the Troy precinct station. The girl is Jennie Stepholo, who, though she has a young face, is well matured and apparently much older than her father claims.

The girl went to that city from Bennington, Friday afternoon, and, according to a prearranged plan, was met at the depot by the two men, who were said to have arranged to take her to New York that evening.

The girl's father got wind of the plans, however, and telegraphed the Troy police, who met the trio at the station and placed all three under arrest. The father and the police of Bennington were notified, and the former, accompanied by a Bennington officer, went there last evening to bring the girl home and the two men back for trial.

The girl was furious when faced by her parent, and declared emphatically that she could care for herself. She claimed that Pepera was a distant relative and that she had the utmost confidence in him. The girl was brought home in the afternoon, but the men refused to come voluntarily.

### TO STOP THE BOYCOTT.

Chinese Government Takes Action to Put an End to Agitation.

Washington, July 3.—The Chinese government has taken steps to stop the anti-American agitation and alleged boycott against American goods. Mr. Rockhill at Peking has called the state department that, after repeated and urgent representations from the American legation, orders have been issued from the Chinese foreign office to all viceroys and governors in the empire to cease anti-American agitation and attempted boycott against American goods.

Boston Man Made Course in 37 Under Adverse Conditions.

Launcelot Cressey Serves, who sells the Magregor golf clubs, is here in the interests of his firm. He played at the Barre links Saturday afternoon, and under adverse conditions made the course in 37. It was his first time over the course and rain was falling most of the time. Some of his strokes were wonderful, especially his driving. No exhibition like it has ever been seen on the local links.

His card was like this:

Mr. Serves will play over the course today and is confident of cutting down that score.

### Borden Advances Wages Again.

Fall River, July 3.—The card-room operatives at the Iron Works mill in Fall River, who went out on strike Monday morning, and who returned to work the next day because of promises made that wages would be made satisfactory, have been informed by the mill management that an advance of between 4 and 11 per cent would be granted. The operatives getting the lowest pay will receive the greater advance. The Iron Works mill, owned by M. C. D. Borden of New York, recently advanced the wages of their spinners.
